THE Difficulty which People are continually under, who have Business to transact, for want of knowing where to find One Another, makes such a little PIECE as this very Useful, by saving a great deal of Trouble, Expence, and Loss of Time in Dispatch of Affairs; especially to Merchants, Bankers, and others, who deal in Notes and Bills of Exchange: And tho' it cannot be expected, that in such a Variety of Directions there do not creep in some Errors, by People's changing their Habitations, yet there will be very few found; and the Printer will be glad to be inform'd of them, that he may rectify them.

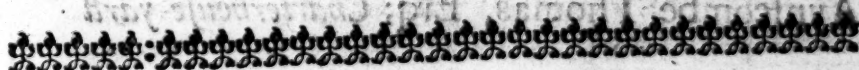

PREFACE

THE DUBLIN SOCIETY OF ANTIQUARIES

persons who have been elected to the
Society since the last meeting. It is
hoped that the volume will be found
